

## ICORS2022 - DAILY PROGRAMME

Date	Time	Lecture Theatre 1	Lecture Theatre 2	Lecture Theatre 3	Lecture Theatre 4	Lecture Theatre 5	McEwan Hall Clinical Bridge Sessions		
Friday 9th September	09:00-10:00	Bone infection: a clinical priority for clinicians and scientists Host Society: Orthopedic Research Society	FP29 Biomechanics of the lower limb 2	Smart Technology in fracture treatment – current trends and future directions Host Society: AO SDSTF	FP30 Clinical outcomes 2	BOFAS/BORS Clinical Bridging Session			
	10:00-10:30			Keynote: Eleftheria Zeggini					
	10:30-11:00	Coffee break/poster viewing							
	11:00-11:30	FP31 Translational studies	Keynote: Francis Lee	FP32 Molecular signaling pathways in cartilage	Keynote: Matt Dalby			<b>Young Adult Hip</b> BHS/BOSTA/EHS	
	11:30-12:30	Cartilage regeneration: Concepts and Techniques of improving Chondrogenesis Host Society: ASEAN Orthopaedic Research Society	FP33 Arthritis 2	Additive manufacturing of orthopedic biomaterials – from lab to application Host Society: European Orthopaedic Research Society	FP34 Osteoporosis and fracture fixation	BOFAS/BORS Clinical Bridging Session			
	<i>lunch</i>								
	13:30-14:30	FP35 Orthopaedics	Application of Advanced Technologies in Bone and Cartilage Research Host Society: International Chinese Musculoskeletal Research Society (ICMRS)	FP36 Emerging health problems and solutions	A sound-based biofabrication platform for rapid orchestration of multicellular living systems Host Society: AO Research	JOA Workshop Imaging innovation for foot and ankle disorders		<b>Spinopelvic alignment and instability in THR</b> BHS/BORS	
	14:30-15:00					BOFAS/BORS			
	15:30-16:30	<b>PLENARY SESSION</b>							
	16:30-17:30	<b>CLOSING CEREMONY/PRIZE GIVING/HANDOVER</b>							
17:30	<b>CONFERENCE CLOSED</b>
