

ICORS2022 - DAILY PROGRAMME

Date	Time	Lecture Theatre 1	Lecture Theatre 2	Lecture Theatre 3	Lecture Theatre 4	Lecture Theatre 5	McEwan Hall Clinical Bridge Sessions	
Wednesday 7th September	08:30-09:00	PLENARY SESSION - McEWAN HALL						
	09:00-10:00	How does joint loading influence pain and degeneration in osteoarthritis? Host Society: British Orthopaedic Research Society	1.5 hrs free papers	Tendinopathy - a relevant clinical problem and a growing research field Host Society: Musculoskeletal Regeneration Network (MR-NET) of the German Society of Orthopaedics and Trauma Surgery (DGOU)	1.5 hrs free papers	Adaptations of innovations and new technologies in spinal deformity treatment Host Society: Japanese Orthopaedic Association		<u>Managing Bone Loss Open Fractures and Infection</u> ISFR/OTS/DGU
	10:00-10:30	0.5hrs free papers		0.5hrs free papers		0.5hrs free papers		
	10:30-11:00	Coffee break/poster viewing						
	11:00-11:30	0.5hrs free papers	0.5hrs free papers	Keynote	Keynote	0.5hrs free papers		
	11:30-12:30	1 hr free papers	1 hr free papers	Prevention of Post Traumatic Osteoarthritis: research needs and barriers? Host Society: British Orthopaedic Research Society	1 hr free papers	Equal representation EORS		
	<i>lunch (BORS AGM)</i>							
	13:30-14:30	1.5 hrs free papers	1.5 hrs free papers	1.5 hrs free papers	1.5 hrs free papers	FIORS Debate		
	14:30-15:00							
	15:00-15:30	Coffee break/Poster viewing						
	15:30-16:00	Keynote	0.5hrs free papers	Keynote	0.5hrs free papers	Keynote		
	16:00-17:00	1 hr free papers	Finite element modelling in orthopaedic research. Host Society: British Orthopaedic Research Society	1 hr free papers	New focus areas in osteoarthritis research Host Societies: Taiwanese Orthopaedic Research Society, European Orthopaedic Research Society	1 hr free papers		<u>Osteoporotic Fractures</u> ISFR/OTS/DGU/BESS
	17:00-18:00	OPENING CEREMONY - McEWAN HALL						

ICORS2022 - DAILY PROGRAMME

Date	Time	Lecture Theatre 1	Lecture Theatre 2	Lecture Theatre 3	Lecture Theatre 4	Lecture Theatre 5	McEwan Hall Clinical Bridge Sessions		
Thursday 8th September	09:00-10:00	1.5 hrs free papers	The biology of growth plate and its clinical application Host Society: Japanese Orthopaedic Association	1.5 hrs free papers	Transverse Tibial Cortex Transport Surgery: What is it and Why we need it? Chinese Orthopaedic Research Society	Translational cell-based therapies in orthopaedics. Host societies: ON Foundation/ European Orthopaedic Research Society	Biological knee reconstruction Mechanical knee reconstruction BASK		
	10:00-10:30		0.5hrs free papers		0.5hrs free papers	0.5hrs free papers			
	10:30-11:00	Coffee break/poster viewing							
	11:00-11:30	Keynote	0.5hrs free papers	Keynote	0.5hrs free papers	Keynote			
	11:30-12:30	1 hr free papers	Biomimetic Approaches for Bone Tissue Engineering Host Society: Australia and New Zealand Orthopaedic Research Society	1 hr free papers	The OATech Network+ and facilitating the next generation of OA researchers: ECR presentations with Q&A. Host: OATech Network Host Society: AO SDSTF	1 hr free papers			
	<i>lunch (EORS General Assembly)</i>								
	13:30-14:30	Artificial Intelligence and computational automation in orthopaedics: The good, the bad and the ugly Host Society: Australia and New Zealand Orthopaedic Research Society	1.5 hrs free papers	Research: Pearls for Success for Surgeons Host Society: Orthopedic Research Society	1.5 hrs free papers	Use of Biologics in ACDF, the AOGO initiative. Host society: AO Spine Knowledge Forum Degenerative		The Big Debate BASK	
	14:30-15:00	0.5hrs free papers			0.5hrs free papers				
	15:00-15:30	Coffee break/poster viewing							
	15:30-16:00	Extended poster viewing							
	16:00-17:00	Digitalization in orthopaedics and traumatology – global data and patient outcomes Host Societies: European Orthopaedic Research Society/ AO Research	1 hr free papers	Tissue regeneration & Repair Host Society: Korean Orthopaedic Association	1 hr free papers	Moving the Needle: Impactful Research in Orthopaedics Host society: Canadian Orthopedic Research Society			
	17:00-18:00	PLENARY SESSION - McEWAN HALL							
	18:00-18:20	FIORS Induction and Transformative Awards - McEWAN HALL							
	18:30-end	CONFERENCE DINNER - McEWAN HALL							

ICORS2022 - DAILY PROGRAMME

Date	Time	Lecture Theatre 1	Lecture Theatre 2	Lecture Theatre 3	Lecture Theatre 4	Lecture Theatre 5	McEwan Hall Clinical Bridge Sessions			
Friday 9th September	09:00-10:00	Bone infection: a clinical priority for clinicians and scientists Host Society: Orthopedic Research Society	1.5 hrs free papers	Smart Technology in fracture treatment – current trends and future directions Host Society: AO SDSTF	1.5 hrs free papers	BOFAS/BORS Clinical Bridging Session	Young Adult Hip BHS/BOSTA/EHS			
	10:00-10:30			Keynote						
	10:30-11:00			Coffee break/poster viewing						
	11:00-11:30	0.5hrs free papers	0.5hrs free papers	0.5hrs free papers	Keynote					
	11:30-12:30	Cartilage regeneration: Concepts and Techniques of improving Chondrogenesis Host Society: ASEAN Orthopaedic Research Society	1 hr free papers	Additive manufacturing of orthopedic biomaterials – from lab to application Host Society: European Orthopaedic Research Society	1 hr free papers	Imaging innovation for foot and ankle disorders Host Society: Japanese Orthopaedic Association				
	<i>lunch</i>									
	13:30-14:30	1.5 hrs free papers	Application of Advanced Technologies in Bone and Cartilage Research Host Society: International Chinese Musculoskeletal Research Society (ICMRS)	1.5 hrs free papers	A sound-based biofabrication platform for rapid orchestration of multicellular living systems Host Society: AO Research	BOFAS/BORS Clinical Bridging Session		Spinopelvic alignment and instability in THR BHS/BORS		
	14:30-15:00		0.5hrs free papers		0.5hrs free papers					
	15:00-16:00	PLENARY SESSION								
	16:00-17:00	CLOSING CEREMONY/PRIZE GIVING/HANDOVER								
17:00	CONFERENCE CLOSED
